Statement of intent

Broughton Jewish Primary School aims to maximise the use of all its facilities. The intended purpose of the trust's facilities is to benefit the school community; however, the trust understands that extending the use of the premises to the wider community allows us to maximise our income and provide an advantage to the clubs and groups who will use our facilities.

The trust endeavours to positively contribute to increasing participation in activities taking place in the local community.

This policy clearly sets out the rules and procedures the trust expects hirers to follow when using the facilities.

3. Emergencies and health and safety

The site manager and headteacher will undertake relevant risk assessments for the suitability of the site before activities are carried out on the premises, to ensure the safety of the hirer and any additional visitors.

Hirers will conduct their own risk assessments for their activities.

In case of an emergency, the on-site telephones can be used to call the emergency services.

All hirers will be advised to have access to at least one mobile telephone that can be used to call the emergency services, should the on-site telephones not be accessible.

The site manager will check first aid kits daily to ensure their stock levels remain high and, where necessary, restock the first aid kits with the relevant items.

The site manager will show hirers where first aid kits are, should they be required.

Hirers will be responsible for ensuring they have a trained first aider on site during the times they use the premises.

Smoking will not be permitted on the premises at any time.

Alcohol will not be brought on to, or consumed on, the premises unless the trust holds a licence to sell alcohol and this has been agreed in writing by the headteacher.

The hirer will familiarise themselves with the Fire Safety Risk Assessment and other relevant risk assessments before using the premises.

The headteacher will make copies of the trust's Fire Safety Policy available to the hirer prior to the first hire date.

The hirer will be shown the trust's fire exits and evacuation points by the site manager prior to the first hire date.

4. Managing asbestos

Hirers will be provided with a copy of the trust's Asbestos Management Policy before using the site.

An asbestos management survey has been carried out and the trust has made an asbestos management plan (AMP) – these will be shown to hirers.

The site manager will inform the hirer of any asbestos containing materials (ACMs) that have been identified and how they could be damaged or disturbed. Hirers will receive the correct information and instructions and will be clear on what precautions to take.

Risk assessments will be conducted of the areas to let, to ensure no ACMs will be disturbed.

If the trust finds there has been, or may have been, an unplanned disturbance of asbestos after the facilities have been hired, the following action will be taken:

- All activities will stop, and everyone will be evacuated from the affected area
- Staff, pupils and visitors will not be allowed to re-enter the affected areas until any necessary remedial action has been taken
- Items, including equipment, books or personal belongings, will not be moved from the area
- Advice will be sought from an asbestos expert regarding remedial action

Unless the incident is minor, the trust will notify the HSE, as this is a legal requirement under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013.

Anyone who has come into contact with asbestos, and is concerned about their exposure, will be advised to contact their GP.

The school's AMP will detail the procedures for staff to follow in the event of an incident, and this will be communicated to all staff.

Any incidents involving the disturbance of, and exposure to, asbestos will be recorded appropriately and dealt with in line with the trust's incident reporting procedures.

5. The lettings process

Potential hirers will contact the trust at least two weeks before they wish to use the premises.

Prospective hirers can apply through an [application form](#) which will be submitted in writing to the trust office or emailed to email address.

For regular hire, only one application form needs to be submitted; however, all the requested dates will be noted.

Hirers will explain their desired use of the premises when completing their application form.

After receiving an application to use the trust's premises, the headteacher will speak to the board of trustees about whether the premises are suitable for the hirer's needs.

If the application is rejected, the headteacher will contact the applicant, either by telephone or email, to clarify the trust's response and outline the reasons for rejection.

Once the application has been accepted, the trust will take a deposit of 10 percent of the overall fee for hiring the premises; this deposit will be deducted from the final costs of hiring.

Fees can be paid via cash, cheque or bank transfer. The hirer will state how they intend to pay in their application form.

Sub-letting of any form is strictly prohibited. If the trust receives any evidence pertaining to plans to sub-let the trust premises, all bookings the hirer has made with the trust will be cancelled.

If the trust intends to sub-let part of the site to a commercial business, it will seek permission from the ESFA and complete a property information note (PIN).

6. VAT

Letting out facilities will generally be standard-rated, although the letting will be VAT exempt in certain circumstances, provided the trust has not opted to tax. These circumstances include:

- A single, continuous let period of over 24 hours to the same individual.
- A let of a series of sessions to the same individual where:
 - The series is of at least ten sessions.
 - Each session is for the same sport or activity.
 - Each session is in the same place.
 - The interval between each session is at least 1 day, but not more than 14 days.
 - The series is paid for as a whole with written evidence to that fact.
- Where the trust will be providing education free of charge.

7. Safeguarding

The trust will ensure that appropriate arrangements are in place to keep children safe during the hiring out school premises and facilities. Organisations submitting a lettings request involving working with children and/or young people will submit a signed copy of their current Child Protection and Safeguarding Policy. The governing board will ensure there are arrangements in place to liaise with the organisation on these matters where appropriate.

The trust will ensure safeguarding requirements are included in any transfer of control agreement, as a condition of use and occupation of the premises. Failure to comply with this will lead to termination of the agreement.

All hirers must state the purpose of the hire. Each application will be vetted by the DSL and any concerns will be reported to the board of trustees prior to approval.

When determining whether to approve an application; the board of trustees will consider the following factors:

- The type of activity
- Possible interferences with trust activities
- The availability of facilities
- The availability of staff
- Health and safety considerations
- The trust's duties with regard to the prevention of terrorism and radicalisation
- Whether the letting is deemed compatible with the ethos of the trust

An application will not be approved if it:

- Is aimed at promoting extremist views.
- Involves the dissemination of inappropriate materials.
- Contravenes the statutory Prevent duty.
- Is likely to cause offence to public taste and decency (except where this is, in the opinion of the trust, balanced or outweighed by freedom of expression of artistic merit).

The headteacher will file an incident report form if they have reason to believe that the letting has been used for political purposes not previously authorised, the dissemination of inappropriate material or any other purpose that contravenes the Prevent duty.

Where an individual group is found to be promoting views in contravention of the trust's Prevent duty, the person or group is guilty of an offence, under the Education Act 1996, the trust will contact the police/school security who will remove the person or group from trust premises.

All hirers will read and review the trust's Child Protection and Safeguarding Policy.

8. Fees

The trust requires a 20 percent deposit of the overall fee to be paid to the trust to secure a booking.

The remaining amount is to be paid before or on the requested booking date.

Hirers should give the trust at least 5 days' notice if they wish to cancel their booking.

If the trust receives inadequate notice of cancellation, the trust may keep the hirer's deposit to account for any loss of earnings.

Trust staff, on behalf of the trust, reserve the right to refuse access to the premises hired if the whole fees have not been paid.

In the event any fees are outstanding after the hirer has used the premises, their organisation will be barred from using any facilities controlled by the trust until they have paid the full amount.

The trust reserves the right to take legal action should any outstanding fees remain unpaid for 30 days after hiring.

Should any equipment, including items that have not been requested, be damaged, lost or stolen whilst under the hirer's care, the trust reserves the right to charge for repairing or replacing the equipment.

9. Using the site

The hirer will liaise with the site manager to ensure the trust remains secure before, during and after use.

Hirers will be given an emergency contact number for the site manager in case of any security breach or emergency.

Keys or security codes will not be passed to any hirer or other person without written permission from the board of trustees.

The site manager will return to the site before the last hirer leaves, to ensure the site is clean and secure ready for the next day.

The trust uses a 'three strike rule' when handling complaints lodged against hirers; however, the trust reserves the right to take more severe action depending on the nature of the complaint.

- Strike one – hirers will receive a verbal warning about their conduct on the property and be warned that repeated offences will result in their booking privileges being suspended.
- Strike two – hirers will receive a second verbal warning and a letter explaining that the trust takes a zero-tolerance approach to inappropriate behaviour. This letter will outline that any fines for the behaviour that the trust issues may be passed on to the hirer if there is sufficient evidence to do so.
- Strike three – the hirer will be barred from booking the trust premises for any activity for a period of two months. The trust also expects the hirer to issue an apology to the trust and complainant in writing.

The use of public announcement systems and loudspeakers must be agreed with the headteacher and site manager, this agreement must include a maximum noise level which is not to be exceeded.

The trust's car park is available to hirers during their time on the premises; however, the trust will not accept responsibility for any loss, damage or accident that may occur whilst the car park is in use.

Hirers will only use the car parking spaces allocated and, should any additional spaces be required, the site manager will find suitable spaces on the premises for additional parking.

In the event additional parking is required, the site manager will ensure the trust premises remain accessible to the emergency services, should they be required.

10. Equipment

Hirers will identify any equipment they require from the trust and detail this in their application form; hirers must seek permission from the trust to use any additional equipment once the form has been submitted.

Furniture and fittings will not be removed or interfered with in any way, unless permission has been granted by the site manager or headteacher. In the event permission has been granted, the site manager will oversee the move.

If a furniture move has been agreed, the hirer and site manager will negotiate restoring the premises back to its original state.

Any damage to equipment, furniture or the building will result in the hirer being charged the cost of any repairs or replacements.

Any seating provided is limited to the number of chairs on the premises.

Hirers are allowed to bring their own equipment on to the premises; however, they will be required to acknowledge this in their application forms.

The trust cannot be considered responsible if any of the hirer's equipment is damaged, stolen or lost whilst being used on the premises.

CCTV systems will be used to monitor events and identify incidents taking place whilst the premises are in use, in accordance with the trust's CCTV Policy.

Hirers will report any stolen or missing equipment to the site manager immediately.

Risk assessments for manual handling will be carried out by the headteacher and site manager in accordance with the Manual Handling Policy.

Food and drink may be prepared on the premises; however, hirers must seek direct permission from the trust.

The hirer will prepare food and drink in line with current food and hygiene regulations.

Hirers will be responsible for arranging any additional licences that are required to the nature of their activities, e.g. a music licence or licence to sell alcohol.

Hirers will not bring animals onto the premises without permission from the headteacher.

11. Monitoring and review

This policy will be reviewed annually by the board of trustees and the headteacher.

The scheduled review date for this policy is 1/09/2024

Please note: We will continue to review this appendix in line with the latest national guidance. Schools should ensure this appendix reflects all current local guidelines.

Statement of intent

At **Broughton Jewish Primary School**, we recognise the importance of providing a safe environment for our pupils, staff and community alike. This appendix outlines the school's approach to letting the premises with regard to coronavirus, and the procedures that the school has put in place to mitigate risks. All hirers should have due regard for the procedures outlined within this policy.

- DfE (2021) 'Schools COVID-19 operational guidance'
- DCMS (2021) 'Guidance on coronavirus (COVID-19) measures for grassroots sports participants, providers and facility operations'

This policy operates in conjunction with the following school policies:

- Infection Control Policy
- Visitors Policy
- Health and Safety Policy

2. Cancellation

The trust will ensure any agreements it enters into with hirers contain clear terms and conditions to account for the possibility of a cancellation due to coronavirus and ensure both parties are treated fairly in this event.

3. Risk management

Social distancing

There are no longer any legal requirements for social distancing; however the trust will encourage hirers to consider additional precautions for those who are clinically extremely vulnerable (CEV). The trust will encourage hirers to refer to [guidance on protecting people defined on medical grounds as extremely vulnerable](#) if they have any concerns regarding the lack of social distancing measures.

Infection control

Infection control measures will be implemented throughout the site, in line with the trust's Infection Control Policy.

Separate toilet facilities will be provided for hirers and any members of their party, where possible.

All facilities will be thoroughly cleaned in line with the trust's School Cleaning Policy between uses by different groups and after use.

The trust will encourage hirers to arrive and leave in the clothing required for the activity, e.g. sports kit, where possible.

Precautionary measures

The trust will encourage all hirers and members of their party prior to comply with NHS Test and Trace service.

The trust will provide all hirers with copies of all the relevant policies and procedures prior to allowing them to use the site including the Infection Control Policy.

The trust will ensure all hirers undertake an appropriate risk assessment for the activity they will be using the site for and a copy will be provided to the trust.

If the trust is not satisfied with the risk assessment undertaken by the hirer, they will not be permitted to hire the site.

4. Hirer responsibilities

The hirer will comply with its responsibilities in relation to the NHS Test and Trace service.

The hirer will ensure all members of their party have read and understood the relevant policies prior to using the site.

The hirer will have due regard for public health advice when undertaking activities on the site.

The hirer will ensure that no one displaying symptoms of coronavirus attends on the premises.

Any member of the party who has returned from a country requiring quarantine upon return to the UK in the last 14 days must produce a negative polymerase chain reaction (PCR) test before attending the site. If a member of the party is unvaccinated, they

Hirers will clean any equipment or surfaces used after they have finished any activities.

If individuals develop symptoms of coronavirus whilst on the site, they leave the site immediately and the trust follows the procedures outlined in the Infection Control Policy.

Any individuals arriving on the site will be asked to sign a declaration form to state that they do not have symptoms of coronavirus and do not live with anyone displaying coronavirus symptoms.

5. Monitoring and review

The headteacher and SBM will review this policy annex continually during the coronavirus pandemic in line with any updates to government guidance and local circumstances.
