GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2019

The governors present their annual report together with the accounts and auditor's report of the charitable company for the year 1 September 2018 to 31 August 2019. The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust.

The governors are the trustees of Broughton Jewish Cassel Fox and are also the directors of the charitable company for the purposes of company law. Details of the governors who served during the year, and to the date these accounts are approved, are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Governors' indemnities

In accordance with normal commercial practice, the Academy has purchased a Risk Protection Arrangement to protect Governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business. The arrangement provides cover of up to £10,000,000 being the amount payable in total in any one period of cover.

Method of recruitment and appointment or election of governors

Foundation Governors are appointed by the Trustees, normally for a term of 4 years. In addition there is a Community Governor, Parent Governors and Staff Governors. Parent Governors are elected by parents and Staff Governors are elected by the members of staff.

The Articles of Association require the trust board members to appoint a minimum of 3 Governors to be responsible for the statutory and constitutional affairs of the charitable company and the management of the Academy. The Articles of Association contain provisions for the appointment of additional Governors including Staff Governors and Parent Governors. There is no maximum number of Governors.

The Governing Body now comprises of 16 Governors, including 3 Staff Governors and 2 Parent Governors.

The Principal is an ex-officio governor.

Policies and procedures adopted for the induction and training of governors

New Governors have induction training and support available to them, via the Clerk to the Governing Body and through training courses provided by suitable professional organisations.

FOR THE YEAR ENDED 31 AUGUST 2019

Organisational structure

The Governing Body is responsible for the efficient running of the school and efficient delivery of education. The day to day management of the school is delegated to the Principal, the deputy Head Teachers and the Senior Management Team. The Accounting Officer is the Principal, but the Chair of the Governors and the Finance Governor operate an additional layer of supervision over the school finances.

The Governors set and review school policies, set the academic targets, set the budget, monitor academic and financial performance etc and are largely involved in supervising and monitoring the management of the school along with the senior leaders of the school.

The Governors have sub-committees responsible for specific areas (Admissions, Staffing, Finance, Health & Safety, Safeguarding, Curriculum, Disciplinary, Pupil Disciplinary, etc). The governance structure was reviewed during the Autumn term with new committees in place for September 2019. Each committee has its own terms of reference and the Governors review the remit of the sub groups and the frequency of meetings. The Finance Committee meet at least once per term and the other committees meet as required.

All Governors receive weekly newsletters and are kept up to date by regular e-mail. Many Governors help in school on a regular basis, often attending events. All Governors have access to all policies, procedures, minutes, accounts, budgets and plans that they need to discharge their governing body duties.

Arrangements for setting pay and remuneration of key management personnel

The Chair and the Vice Chair have regular and frequent performance meetings where the Senior Leadership are appraised against agreed set targets. There is also input from outside Consultants in this regard. The results of these appraisals are used to assess the level of remuneration in the forthcoming year.

Related parties and other connected charities and organisations

There are no related parties, which either control or significantly influence the decisions or operations of Broughton Jewish Cassel Fox. There are no sponsors.

The Academy works closely with parents and other stakeholders to further the principal activities of the academy.

Objectives and activities

Objects and aims

The principal object and activity of the Charitable Company is the operation of Broughton Jewish Cassel Fox Primary School.

In accordance with the Articles of Association, the charitable company has adopted a "Scheme of Government" approved by the Secretary of State for Education. The Scheme of Government specifies, amongst other things, the basis for admitting pupils to the Academy and that the curriculum should comply with the substance of the National Curriculum.

The main objectives of the Academy are:

Academic - The School aims for children to make good progress during school and to be effectively challenged to achieve their full potential. To achieve well in standardised tests and maintain a high standard in national benchmarks as well as provide a broad and balanced curriculum.

Welfare - To work towards an emotionally friendly school status.

Religious - The school promotes the values, standards and discipline of the faith. It provides a strong Jewish education which imbues children with the knowledge of, and pride in, their heritage and identity.

FOR THE YEAR ENDED 31 AUGUST 2019

Objectives, strategies and activities

The objectives of the school are to provide the highest quality of education for each and every child, whilst maintaining the warm and welcoming atmosphere of the school and enhancing the pupils' knowledge of, and pride in, their faith and tradition.

Public benefit

The Academy provides educational services to children in the local area. The trustees confirm that they have complied with the duty in Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance provided by the Charity Commission.

The Governors consider that the key benefit delivered by the Academy is that of the development and maintenance of high quality education and teachings of faith for the people in the surrounding area. In order maintain the schools objectives as described above, the school focus's on each individual and ensure they have the resources, guidance and support to achieve their potential.

The governors have complied with their duty to have due regard to the guidance on public benefit issued by the Charity Commission in exercising their powers and duties.

Strategic report

Achievements and performance

The Academy continues to achieve forecast numbers of pupils. Total numbers on roll in the period ended 31 August 2018 numbered 481. In 2018/19 Nursery, Reception and Year 6 were two form entry. Years 1 to 5 inclusive were three form entry. Pupil numbers at 31 August 2019 were 498. Nursery, Year 1, Year 3 and Year 5 are two form entry. Reception, Year 2, Year 4 and Year 6 are three form entry.

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Key performance indicators

The Academy is committed to ongoing improvements to the quality of education within the school.

The Academy has revised its curriculum intents through whole staff CPD within school and spent time developing assessment across the curriculum.

It has also invested in staff to implement this quality education and use staff to support and coach each other to share good practice.

Impact is measured through robust and regular monitoring looking at assessment, lessons, books and planning and listening to pupils to ensure the best possible outcomes for pupils.

The Academy aims meet at least national standards in Key Stage outcomes and where this is not possible thorough investigation of the cohort is undertaken. Actions are then undertaken to ensure that any areas for improvement are addressed within the curriculum or teaching personnel. If there is a belief that this is a cohort driven area for development, interventions are put in place to support the children's learning.

The Academy is committed to providing good outcomes for Behaviour and Attitudes. Training has been provided for all staff to support challenging behaviour and behaviour policies have been revised. A positive behaviour support system has been embedded working with the children through assemblies and mental health and well-being sessions to understand their behaviours. A wide variety of extra-curricular activities have been provided to celebrate children's diversities and accomplishments are shared.

Personal development has been a key area of development over the past year with investment in specific mental health and well-being programmes to support children's development. Regular sessions have been planned into timetables and a nurture room has been provided to support individual children and allow self-referral. Art, play and Lego therapies are used to support more complex needs and social groups are used for a wider proportion of children.

Leadership and management has developed since the last Ofsted due to changes in staff and middle leaders are being developed within school. Leadership is distributed and time provided for this which holds a significant cost to the school and to the improvements needed to keep moving forward.

Going concern

After making appropriate enquiries, the board of governors has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason the board of governors continues to adopt the going concern basis in preparing the accounts. Further details regarding the adoption of the going concern basis can be found in the statement of accounting policies.

Financial review

The Academy's financial objectives are:

- To set and operate within an agreed and balanced budget.
- Applying at all times, best value principles in all purchases.
- Monitoring and evaluating the value for money of all staff.
- To prevent all areas of wastage.

These objectives were achieved in the period ending 31st August 2019.

Most of the Academy's income is obtained from the EFSA in the form of recurring grants, the use of which is restricted to particular purposes. The grants received from the EFSA during the period ending 31st August 2019 and the associated expenditure are shown as restricted funds in the statement of financial activities.

The Academy also receives grants for fixed assets. In accordance with the charities Statement of Recommended Practice, "Accounting and Reporting by Charities," (SORP 2015) such grants are shown in the Statement of Financial Activities as restricted income in the fixed asset fund. The restricted fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

BROUGHTON JEWISH CASSEL FOX

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

During the period ended 31st August 2019, total incoming resources were £2,380,766 and resources expended was £2,447,587. The excess of expenditure over income for the period was £66,821.

In the Academies accounts direction 2014 to 2015 (SORP 2015), the EFSA amended their guidance in relation to accounting for buildings. This guidance noted that Academies that convert from former voluntary aided schools such as the Broughton Jewish Cassel Fox, and continue to occupy the site occupied by the predecessor school, often have different occupancy arrangements to other schools. In this case the freehold land and buildings are owned independent from the Academy. They are owned by the predecessor school, Broughton Jewish Primary School. The EFSA's view is that taking all considerations into account it is likely that most academies such as the Broughton Jewish Cassel Fox will conclude that the asset should be recognised on their balance sheet and this policy has been adopted.

Based on the recent views of the EFSA the land and buildings are shown in the accounts based on the valuation information provided by JMC Chartered Surveyors & Property Consultants in May 2014, less depreciation that would have been incurred to date.

At 31st August 2019 the net book value of fixed assets were £4,676,791 and movements in tangible fixed assets are shown in note 12 to the financial statements. The assets were used exclusively for providing education and associated support services to pupils.

The Academy held fund balances at 31st August 2019 of £4,526,724. This comprised of unrestricted general funds of £112,055 plus restricted fixed asset funds of £4,676,669, plus the pension scheme deficit of £262,000.

Reserves policy

The Governors review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. The Academy's aim is to achieve prudent levels of reserves.

The academy holds general restricted fund reserve of £4,676,669 and a restricted pension reserve of (£262,000) resulting in a balance of £4,414,669 which cannot be used for general activities. In addition the academy holds an unrestricted fund balance of £112,055. The unrestricted fund balance is to be held to meet unforeseen costs which may arise.

Investment policy

Currently the academy does not have any investments due to the need to ensure cash balances for the day to day expenditure of the academy. In future periods the governors will look at the level of cash to see whether they merit investments.

Principal risks and uncertainties

The Governors have assessed the major risks to which the Academy is exposed, in particular, those relating to the operational areas of the site and facilities and of teaching and the finances. The Governors have implemented a system to assess the risks the school faces, especially in the operational areas which include teaching and health and safety and in relation to the control of finance. The Governors have introduced systems, including operational procedures and internal financial controls in order to minimise risk, Where significant financial risk still remains, they have ensured that they have adequate insurance cover.

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1. Government Funding

The Academy has considerable reliance on continued Government funding through the EFSA. In 2018/2019, 90% of the Academy's revenue was ultimately public, and this level of requirement is expected to continue. There can be no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or in the same terms.

This risk is mitigated in a number of ways:

- Funding is derived from a number of direct and indirect contractual arrangements;
- By ensuring that the Academy is rigorous in delivering high quality education and training;
- Considerable focus and investment is placed on maintaining and managing key relationships with the EFSA.

2. Maintain adequate funding for pension

The financial statements report the share of the pension scheme deficit on the Academy's balance sheet in line with the requirements of Financial Reporting Standard (FRS102). This deficit relates to non-teaching staff who are members of Greater Manchester Pension Fund. At 31st August 2019 the deficit amounted to £262,000.

The pension scheme liability is an on-going liability which is not expected to materialise until the retirement of the employees in the scheme. The Academy will make contributions to the scheme on behalf of its employees. These contributions are determined by the scheme's Actuaries and are designed to eliminate the deficit over the estimated future working lives of the employees in the scheme.

The Academy has undertaken work during the period to develop and embed the system of internal control, including financial, operational and risk management which is designed to protect the Academy's assets and reputation.

We monitor our risks regularly in order to identify key risks, assess the likelihood of these risks occurring and their potential impact on the Academy and the proposed actions to be taken to reduce and mitigate the risks.

Fundraising

Fundraising activities are undertaken within the BJPS Charity entity (Charity Registration 526444). A committee was set up in 2003 with the aim of covering any deficits within this entity and the success of this committee has meant that these funds have been used for the benefit of the Academy'

The principal source of this income is from parents and discretionary donations from charitable trusts.

The committee is comprised of various individuals, including school governors who operate on a voluntary basis.

Plans for future periods

The Academy will continue to strive to achieve the highest academic standards, ensuring that every pupil realises their full potential. It will also maintain its efforts to ensure the well-being and happiness of each and every child. Current building works will continue resulting in increased classroom numbers.

Auditor

In so far as the governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

A resolution proposing that Lopian Gross Barnett & Co be reappointed as auditor of the charitable company will be put to the members.

The governors' report, incorporating a strategic report, was approved by order of the board of governors, as the company directors, on 03 January 2020 and signed on its behalf by:

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2019

Scope of responsibility

As governors we acknowledge we have overall responsibility for ensuring that Broughton Jewish Cassel Fox has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of governors has delegated the day-to-day responsibility to the principal, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Broughton Jewish Cassel Fox and the Secretary of State for Education. They are also responsible for reporting to the board of governors any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Governors' Report and in the Statement of Governors' Responsibilities. The board of governors has formally met 3 times during the year. Attendance during the year at meetings of the board of governors was as follows:

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

The Academy has a separate Resources Committee with responsibility for the Academy financial management, internal scrutiny, human resources, premises management, health and safety and risk management. During the period the committee has led on budget approval, staffing structures and is working towards the development of an ICT strategy.

The board of trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However the trustees have appointed J Goldblatt, a governor, to carry out a programme of internal checks.

The reviewer's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems. In particular, the checks carried out in the current period included:

- testing of the payroll system
- testing of purchase systems
- testing of control account/ bank reconciliations

On a quarterly basis, the reviewer reports to the board of trustees, through the Resources Committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities.

Review of value for money

As accounting officer the principal has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the academy trust's use of its resources has provided good value for money during each academic year, and reports to the board of governors where value for money can be improved, including the use of benchmarking data where available. The accounting officer for the academy trust has delivered improved value for money during the year by:

1. Maintaining tight control over expenditure, By making careful consideration of the costs of purchases and their value for money consideration, Evaluating purchase usage and using this knowledge for future purchases, Using Government Preferred Procurement channels (e.g. YPO, RPA Insurance) where possible. The Academy prides itself on using funds effectively.
2. Efficient use of staff. The Academy continues to monitor its staff levels effectively.
3. Continuing to prioritise resources to teaching as opposed to administration.
4. Increasing photocopying costs were managed during the year with increased monitoring and limiting of usage.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Broughton Jewish Cassel Fox for the period 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and accounts.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Capacity to handle risk

The board of governors has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of governors is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2018 to 31 August 2019 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the board of governors.

The risk and control framework

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of governors;
- regular reviews by the finance and general purposes committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

Review of effectiveness

As accounting officer the principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditor;
- the financial management and governance self-assessment process ;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework.

The accounting officer has been advised of the implications of the result of their review of the system of internal control by the finance and general purposes committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2019

As accounting officer of Broughton Jewish Cassel Fox I have considered my responsibility to notify the academy trust board of governors and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2018.

I confirm that I and the academy trust's board of governors are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2018.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of governors and ESFA.

BROUGHTON JEWISH CASSEL FOX

STATEMENT OF GOVERNORS' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2019

The governors (who act as trustees for Broughton Jewish Cassel Fox and are also the directors of Broughton Jewish Cassel Fox for the purposes of company law) are responsible for preparing the governors' report and the accounts in accordance with the Academies Accounts Direction 2018 to 2019 published by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the governors to prepare accounts for each financial year. Under company law, the governors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BROUGHTON JEWISH CASSEL FOX

FOR THE YEAR ENDED 31 AUGUST 2019

Opinion

We have audited the accounts of Broughton Jewish Cassel Fox for the year ended 31 August 2019 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019 issued by the Education & Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2018 to 2019.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the governors' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the governors have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the academy trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Other information

The governors are responsible for the other information, which comprises the information included in the annual report other than the accounts and our auditor's report thereon. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BROUGHTON JEWISH CASSEL FOX (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the governors' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the governors' report including the incorporated strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the governors' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of governors

As explained more fully in the statement of governors' responsibilities, the governors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the governors determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the governors are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the governors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO BROUGHTON JEWISH CASSEL FOX AND THE EDUCATION & SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2019

In accordance with the terms of our engagement letter dated 5 November 2019 and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2018 to 2019, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Broughton Jewish Cassel Fox during the period 1 September 2018 to 31 August 2019 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Broughton Jewish Cassel Fox and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Broughton Jewish Cassel Fox and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Broughton Jewish Cassel Fox and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Broughton Jewish Cassel Fox's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Broughton Jewish Cassel Fox's funding agreement with the Secretary of State for Education dated 1 August 2012 and the Academies Financial Handbook, extant from 1 September 2018, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2018 to 2019. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2018 to 2019 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Review and testing of the financial internal control systems
- Sample testing of transactions
- Discussions with management

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2018 to 31 August 2019 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2018 to 2019 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Broughton Jewish Cassel Fox meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The governors assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy trust to continue as a going concern. The governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

1.5 Tangible fixed assets and depreciation

Assets which have a useful life of three years or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Land and buildings	2% Straight Line
Property improvements	2% Straight Line
Computer equipment	20%/33% Straight Line
Fixtures, fittings & equipment	20%/33% Straight Line

Property improvements depreciation rates have changed to 2% this year as it was felt to be a more reasonable estimate. The impact in the year was a change in depreciation from £113,959 to £29,173.

BROUGHTON JEWISH CASSEL FOX

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

The academy has been granted use of the school building from the Broughton Jewish Cassel Fox Primary School. The Academies Accounts Direction prescribes that under these agreements, the risks and rewards of ownership remain with the Academy. The land and buildings have been included within the tangible fixed assets of the Academy.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Leased assets

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

1.8 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.9 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.10 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

BROUGHTON JEWISH CASSEL FOX

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2019

1 Accounting policies

(Continued)

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Education Funding Agency.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 18, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2019. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

(Continued)

The specific purposes for which the funds are to be applied are as follows:

Restricted General Funds are used specifically to provide educational resources for the pupils of the Academy.

Restricted Fixed Asset Funds provide for the installation, maintenance and repair of the Fixed Assets of the Academy.

Unrestricted Funds are those other Resources which may be used to further the objectives of the Academy.

Transfers between unrestricted general and restricted fixed asset funds have occurred for capital purchases.

The deficit on the pension reserve will be eliminated based on future contributions as advised by the schemes actuary.

Under the funding agreement with the Secretary of State, the Academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2019.

18 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Tameside MBC, Administering Authority for Greater Manchester Pension Fund. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2016, and that of the LGPS related to the period ended 31 March 2019.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 12 April 2019.

18 Pension and similar obligations

(Continued)

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- an employer cost cap of 7.3% of pensionable pay has been applied to 31 March 2023.
- the assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return is 4.45%

The TPS valuation for 2016 determined an employer rate of 23.6%, which is payable from September 2019. The next valuation of the TPS will be based on March 2020 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from April 2023.

The employer's pension costs paid to the TPS in the period amounted to £53,000 (2018: £53,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 16.1% for employers and 5.5 to 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

21 Related party transactions

Owing to the nature of the academy trust's operations and the composition of the board of governors being drawn from local public and private sector organisations, transactions may take place with organisations in which the academy trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy trust's financial regulations and normal procurement procedures. The following related party transaction took place in the period of account.

Broughton Jewish Cassel Fox Primary School (Charity) previously managed the school. It has no trustees in common with the academy trust.

Broughton Jewish Cassel Fox Primary School (Charity) owns, via its legal title the building in which the Academy currently occupy and allows the Academy to operate from the site under a agreement. The building has been brought in the accounts at a valuation of £3,764,600. The building is being depreciated over 50 years.

The Academy receives income classified as voluntary donations from Broughton Jewish Cassel Fox Primary School (Charity) for shared costs, central services and utilities. The amount received during the year amounted to £29,465 (2018 : £559,686) and is recognised as restricted funds and restricted fixed asset funds.

In entering into these transactions, the academy trust has complied with the requirements of the Academies Financial Handbook 2018.

22 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.
