Dear Parents

I am delighted to report that the School achieved an Outstanding Pikuach Report following the inspection that took place over two days earlier this month on Wednesday 3rd and Thursday 4th July.

I attach the Report received by the School and which categorises the School as Outstanding in all areas measured by Pikuach as can be seen from the Report.

Whilst as a School we do not over focus on grades and ratings, this is a marvellous achievement which we are very happy to share with you. We take particular pride in the Report's recognition of the warmth and Neshomo of our School.

I would like to congratulate and wish Mazeltov to Rabbi Pearlman and his team of dedicated and devoted Kodesh Staff. Rabbi Pearlman's years of hard work, inspiring leadership and tremendous vision have certainly been recognised in this report and we take the opportunity of celebrating this and paying tribute to the whole Kodesh department for this achievement.

Finally, let me also thank you for being our partners in this precious task of educating your children and we continue to Daven for continued Hatzlochoh in doing our very best to help nurture and develop each and every child within our care.

Wishing you all a good summer break.
