Dear Parents,

We are delighted to share with you our OFSTED report on the inspection which took place last term.

As you will agree, the report is a cause for great celebration, as it recognises the hard work invested into making our school the special place it is.

As is well known, the new inspection framework for maintained schools introduced in 2020, makes the requirements for a maintained school to be judged good much more difficult than previously, making this achievement all the more special.

We are so proud to have created a Kiddush Hashem in that it was recognised that with strong Torah foundations, children can be educated to engage with the wider world in keeping with our school ethos of Torah Im Derech Eretz.

We would like to express our deep gratitude to all our staff and our board of Governors for working tirelessly to make our school a place where children can thrive and develop into the best people they can become.

Thank you for your ongoing support and encouragement.

Wishing everyone continued success with blessings for the school to go from strength to strength.

Warm regards,

Rabbi YJ Pearlman  
Headteacher/Principal

David Bondt  
Chair of Governors
