WEEK 12		
Mon 21st	Yr4 boys re football idea to share	<p>A few of the year 4 boys have decided amongst themselves to create a football club since there are often disputes and issues in their games. They have come up with a name, logo, job and ideas to help during football games. They are hoping to implement some of these ideas next week when they are back on the pitch - such as; an 'orange' card if someone is upset to go and talk to a dedicated boy on the side of the pitch to cool down and vent before going back into the game and this boy also watching out for physical/violent playing to also have a timeout/cool down.</p> <p>This was ALL their initiative and they wanted to share their idea to the rest of the school, I wondered if there was an assembly available next week for them to present it to other years groups.</p>
